# WELCOME

---

Dear Traveller,

Welcome to our updated and expanded Africa & Subcontinent brochure for 2024! We are thrilled to share with you the exciting new additions and improvements we have made to our Africa and Indian Subcontinent product.

Throughout the year we have been busy attending various travel shows, including The Magical Kenya Trade Show, GITB India, and Africa Travel Indaba, which have allowed us to discover even more captivating destinations and experiences. As a result, we have enriched our offerings to cater to your adventurous spirit.

One of our most popular combination tours, the East Africa Explorer, remains a favourite among travellers seeking to explore the wonders of Kenya and Tanzania in a single journey. Additionally, we are pleased to introduce a private safari tour in Tanzania, where you can indulge in luxury accommodations at camps and lodges in the Serengeti, Lake Manyara, and Ngorongoro, creating unforgettable memories in the heart of Africa's wilderness.

For those with a yearning to experience Southern Africa's charm, our Southern Africa Express tour is the perfect choice. Launched in early 2023, this tour has garnered fantastic feedback for its incredible value and comprehensive coverage of major attractions in Cape Town, Kruger, and the awe-inspiring Victoria Falls. Moreover, our Journey to South Africa tour is a special edition, created in collaboration with South Africa Tourism and featured on Channel 9, showcasing the very best this beautiful country has to offer. Embark on this journey and immerse yourself in the essence of South Africa's diverse culture, landscapes, and wildlife.

Among our best-sellers, the Overland Safari tour Botswana Wildlife Breakaway has undergone a significant makeover. It now also includes an internal flight from Maun into the Okavango Delta and then a flight directly from the Delta into the Khwai National Park, providing a seamless and more immersive experience. To make this tour even more special, we have added visits to Hwange National Park and Khama Rhino Sanctuary, among other exciting destinations.

In response to the evolving travel preferences post-covid, we have revamped our India and Sri Lanka packages to depart weekly based on a minimum of two persons travelling. This change offers you the flexibility to choose preferred travel dates and the opportunity to enjoy a possible private tour at a discounted group rate. To enhance your experience in India, we have introduced Mumbai excursion options, allowing you to explore the financial centre and largest city in India.

Our dedicated teams, both in Australia and on the ground in Africa and the Indian Subcontinent, are eagerly anticipating the opportunity to welcome you and be your companions throughout this extraordinary journey. We pride ourselves in providing exceptional service and ensuring every moment of your trip is filled with joy, wonder, and unforgettable memories.

Thank you for considering us as your travel provider. We can't wait to share the magic of Africa and the Indian Subcontinent with you.

Happy travels!

Navy Wang - Managing Director

# MW TOURS EXPERIENCE

## **HANDPICKED TRAVEL WITH AUTHENTIC EXPERIENCES**

Every journey is special. At MW Tours we are dedicated to ensuring each holiday you take is the trip of a lifetime. Our team spends hours researching and planning each itinerary, from our brochure product to tailor-made (FIT) travel. We know our destinations, visit them personally, and regularly upskill through direct product training.

We are consistent in delivering quality product that is priced comfortably, and we are renowned for our special added value. Our inclusions are some of the best in the market, thanks to the relationships we have built with our ground operators.

As an Australian family owned business, if you contact us you will always talk to one of our local staff. Our team is diverse and multicultural, and we take pride in the long lasting relationships we have created.

Every experience we provide is authentic and genuine, including some of the most unique opportunities possible in remote destinations. Learn how to create traditional meals in India, or sleep amongst the stars in South Africa. Our team is always happy to customise a tour to include any experience you can imagine. From homestays in Vietnam, to getting as close to North Korea as possible, we have you covered!

# MW TOURS EXPERIENCE

## **SMALL GROUP SIZES, GUARANTEED DEPARTURES & SOLO TRAVELLERS**

We guarantee our tours will depart with a minimum of two travellers (excluding our best selling Cherry Blossom & Garden, and Japan Golden Route Tours). This allows you to travel at the time that suits you best, regardless of the popularity of the season. Popular departure dates generally have group sizes of four to eight people depending on destination, allowing you an intimate personalised experience.

If you are travelling as a single passenger, we try our utmost to match you with another solo traveller in order for your tour to go ahead. As a solo traveller you still retain the option for your own accommodation. Our Single Supplements are the extra costs required for a solo traveller to stay in twin share accommodation. We do our best to keep these additional costs as affordable as possible.

## **PROFESSIONAL DESTINATION GUIDES**

One of the best benefits of touring with MW Tours is the fantastic local and national guides who will take you on your journey. Our experienced English speaking guides handle your daily arrangements, from checking in at your fantastic accommodation, to explaining the unique sights of the area. They have a wealth of knowledge, and can provide you with a personal local experience.

# MW TOURS EXPERIENCE

## **DELICIOUS LOCAL CUISINE**

We know that when you travel you may like to enjoy some of the comforts from home, as well as experience life as a local. For this reason, we offer a combination of Western and local cuisine during your journey. Breakfast is often a mixed buffet, so you can start your day with a full stomach before exploring the fantastic sights! Throughout the day your local guides will assist you with service at the most authentic and quaint eateries, giving you a taste of some of the most popular and traditional foods in the region.

## **TRANSPORTATION OPTIONS**

Travelling in comfort is essential for a pleasurable journey, so we only use full service airlines. Once you arrive at your destination, you can enjoy travelling by quality local transport, from modern air-conditioned vehicles, to high speed rail, and even cable cars to mountain peaks.

## **THE LITTLE EXTRAS**

It's the little things that change your tour from enjoyable to extraordinary! Tipping is often a big worry for our clients, as it is often required in our destinations but not here at home. By including it, we ensure our guides receive the correct remuneration for their incredible service (based on group size, tour duration, and more). Before your journey you will receive your final travel documents, including air tickets, detailed itinerary, accommodation details, and special destination information. We'll also provide you with 24hr local and overseas contacts. These contacts can be utilised at any time, so you can travel with us worry-free.

A Buddhist monk in traditional orange robes and a red cap is walking away from the camera across a suspension bridge. The bridge is decorated with numerous colorful prayer flags along its sides. In the background, other people are visible on the bridge, and the surrounding landscape is lush and green. The text "TOUR OPTIONS" is overlaid in white on the monk's back.

# TOUR OPTIONS

**MW TOURS CAN ASSIST YOU WITH ALL YOUR TRAVELLING NEEDS. FROM 100% TAILOR-MADE PACKAGES, TO OUR FULLY INCLUSIVE ESCORTED TOURS, THERE IS SOMETHING TO SUIT EVERY TRAVELLER.**

*\*Each tour in this brochure is categorised to make it easy for you to choose the travel option that suits you best!*

### **Escorted Tours**

We're known for our Escorted & Fully Inclusive Small Group Tours. Everything is organised in our air & land packages including international and domestic economy class airfares, any cruise or train tickets, quality accommodation, delicious local meals, airconditioned transfers, professional English speaking local guides, all entrance and monument fees, tipping for your guides and drivers, and more! One of the biggest benefits of travelling on an Escorted Tour, is the personal and attentive service you receive from our guides. Depending on group size you may also have an escort travelling from Australia. You will also be travelling with other guests who share similar interests with you, helping you to make new friends along the way!

### **Small Group Tours**

Our Small Group Tours are very similar to our Escorted Tours, however your group size will usually be smaller (under 16 travellers) with Local Guides in each destination.

## **Modular Tours**

If you would like a little more independence or would just prefer not to have everything included, our modular tours would be perfect for you.

- ★ A combination of day tours, accommodation & transportation.
- ★ Coaches will generally pick up and drop off guests from selected hotels. You may need to meet at a dedicated pick-up point or be dropped in a central area to make your own way home. This allows you to see the best sights in our fantastic destinations, whilst giving you extra freedom to explore on your own.
- ★ Budget friendly, you can choose your own methods of transportation, make your own way to hotels, or decide where to eat.
- ★ You could even pick from our range of Excursions to make your own tour.

Although they look like a tour, our Modular Tours actually operate on an independent basis, which means you could be with different people & guides each day, due to their size capabilities, which offer competitive pricing with maximum flexibility. It's important to check all the inclusions and exclusions for each of these tours as they will vary a lot, depending on the location.

## **Tailor-made (FIT) Tours**

If our tours don't have what you want, we can customise an itinerary that meets your needs! Whether you are a solo traveller, making arrangements for school groups or families, or have a club with special interests (Craft enthusiasts or Foodies, we're looking at you!), our friendly Travel Consultants are here to help. Our FIT Tours can be organised in whichever way you want, allowing you the freedom to choose the style and budget that suits you the most.

## BOOKING TERMS & CONDITIONS

"You" and "Your" means all persons named in a booking (including anyone who is added or substituted at a later date). "We", "us", "our" and "MW Tours" means Mandarin World Tours Pty Ltd.

## BOOKINGS

A booking request is accepted when we issue a written booking confirmation and you have paid your deposit. It is at this point that a contract between us and you comes into existence subject to these Booking Conditions. We reserve the right to decline any booking at our discretion.

No employee of ours other than a director has the authority to vary or omit any of these Booking Conditions or to promise any discount or refund.

## SERVICES

We commence providing services to you as soon as we accept your booking. This includes (often significant) work undertaken prior to travel to arrange and coordinate the delivery of your travel arrangements. You also receive the benefit of work we undertake in anticipation of bookings.

The services we provide to you are limited to (a) the arrangement and coordination of your travel arrangements; and (b) the delivery of travel arrangements which we directly control.

## PRICES & EXCLUSIONS

Prices stated are in Australian Dollars (SAUD) and are current at the time of publication. The most up to date pricing is available on our website.

The price includes accommodation, transportation and other inclusions as per the published itinerary.

International and domestic airfares and airport/hotel transfers are not included unless specifically stated. Costs associated with passports, visas, vaccinations, insurance, meals (other than those stipulated), emergency evacuation costs, gratuities, and all items of a personal nature are not included.

## PRICE VARIATIONS

We reserve the right to vary the cost of your travel arrangements prior to commencement for circumstances beyond our control such as the imposition of fuel surcharges or new or amended Government charges.

We also reserve the right to vary the cost of your travel arrangements due to currency fluctuations. However, we will not vary the cost for currency fluctuations once full payment has been received by us and we will absorb the first 2% of any negative currency fluctuation.

## DEPOSIT

A \$400 deposit per person is required within 7 days (unless otherwise stated) of us accepting your booking. Please note that we may not hold any services for you until we receive payment of your deposit, meaning that services may become unavailable or prices may increase, in which case you will be responsible for paying the increased price, and we will not be responsible if services become unavailable.

## FINAL PAYMENT

Payment in full must be received by the date(s) reflected on your invoice OR no less than 60 days before commencement of your trip. Note: some trips or particular arrangements may require payment earlier or in additional instalments and this will be advised with the booking confirmation.

If you fail to make payment by the due date, we will remind you to make payment. In addition to the payment, you will also be responsible for any costs imposed on us by suppliers resulting from late payment. If we do not receive payment within 7 days after the reminder, you will be deemed to have cancelled your booking.

## CANCELLATIONS BY YOU

### CANCELLATION FEE PROVISION

You may cancel your booking by giving written notice to us. We will make refunds to you less cancellation fees in accordance with the table below, calculated from the date which we receive written notice:

Over 90 days before commencement: Deposit and any instalment payments only

90 days to 60 days before commencement: 50% of the booking value

59 days to 30 days before commencement: 75% of the booking value

Within 30 days or no show 100% of the booking value

The cancellation charges specified above represent a genuine pre-estimate of the losses we have incurred if you cancel at particular points in time.

For group departures, a transfer of a confirmed booking to another departure date is deemed to be cancellation of the original booking.

Cancellation fees and charges will not exceed payments received by us at the time of cancellation. If after the application of these fees and charges there is a surplus of payments you have made to us, we will refund this to you within a reasonable time.

Any payments we have made to third parties will only be refunded to you once we have deducted the above cancellation fees and charges and once we have actually recovered the amounts from the third parties. As we will be subject to third party terms and conditions, we make no guarantee that we will be able to make recoveries or that third parties will agree that payments attributable to your booking arrangements are no longer required.

For group departures, a transfer of a confirmed booking to another departure date is deemed to be cancellation of the original booking.

## ILLNESS OR VACCINATION STATUS PREVENTING TRAVEL

If due to any illness, suspected illness or failure to satisfy any required tests or vaccination requirements:

an airline or other common carrier refuses you carriage;

a hotel or vessel refuses to accommodate you; or

we or our suppliers (acting reasonably) exclude you from the trip

and you are consequently prevented from commencing or continuing your trip, then:

if you have already commenced your trip, we will provide you with reasonable assistance to arrange alternative travel arrangements or to continue the trip. This will be at your cost.

if you have not commenced your trip then we regret we will not be in a position to provide such assistance.

We will not be liable to refund the cost of your trip (or any part of it) because we would have already paid (or committed to pay) suppliers and we would have already performed significant work preparing for the delivery of your trip and servicing your booking.

We will not be responsible for any other loss or loss you incur in connection with your booking (for example, airfares and visa expenses) if you are prevented from commencing or continuing your trip in these circumstances.

We strongly encourage you to purchase travel insurance that adequately responds to cancellations and curtailments associated with illness

and other unforeseen events as soon as you have paid your deposit.

## OTHER CANCELLATIONS

In these Booking Conditions, the term Force Majeure means an event or events beyond our control and which we could not have reasonably prevented, and includes but is not limited to: (a) natural disasters (including not limited to flooding, fire, earthquake, landslide, volcanic eruption), adverse weather conditions (including hurricane or cyclone), high or low water levels; (b) war, armed conflict, industrial dispute, civil strife, terrorist activity or the threat of such acts; (c) epidemic, pandemic; (d) any new or change in law, order, decree, rule or regulation of any government authority (the events in (d) being "Government Restrictions").

Force Majeure - Prior to travel

If:

in our reasonable opinion we (either directly or through our employees, contractors, suppliers or agents) determine that your travel arrangements cannot safely, lawfully or reasonably proceed due to a Force Majeure event; or

you give us notice no more than 14 days prior to commencement of your booked travel arrangements that you cannot reasonably make use of them due to Government Restrictions (for example due to border closures)

then we may:

reschedule your travel arrangements, but only if you are agreeable to the rescheduled arrangements; or

cancel your travel arrangements, in which case our contract with you will terminate.

If we cancel your travel arrangements, neither of us will have any claim for damages against the other for the cancelled arrangements. However, we will either:

issue you with a credit equal to payments received by us for the cancelled travel arrangements, redeemable within 12 months of issue against any travel services offered by us; or

refund payments attributable to the cancelled travel arrangements less: (a) unrecoverable third party costs and other expenses incurred or payable by us for the cancelled travel arrangements; (b) overhead charges incurred by us relative to the price of the cancelled travel arrangements; and (c) fair compensation for work undertaken by us in relation to the cancelled travel arrangements until the time of cancellation and in connection with the processing of any refund.

Please note that our ability to issue you with a credit may be dependent on our suppliers issuing corresponding credits to us. We cannot guarantee that our suppliers will issue corresponding credits and so in such circumstances we may opt to pay you a limited cash refund as outlined.

Force Majeure - During travel

If due to Force Majeure we cancel travel arrangements after your trip has commenced, we will provide you with a refund of recovered third party costs plus any third party costs we don't incur for cancelled travel arrangements only.

Force Majeure – General

Where a limited cash refund is to be paid by us, we will use reasonable endeavours to recover payments from third parties attributable to your booking, but we make no guarantee that we will be able to recover these payments either partially or at all. If after we have paid you a limited cash refund (or after we determine that no cash refund is currently payable) we recover payments from third parties attributable to your booking, then we will pass on this payment to you.

We will not be responsible for any other loss or costs you incur in connection with your booking (for example, airfares, insurance and visa expenses) if your trip or particular travel arrangements are cancelled due to an event of Force Majeure.

If we provide you with any alternative services or assistance where travel arrangements are cancelled or rescheduled due to Force Majeure which you accept, then you agree the amount to be refunded to you will be reduced by the value of these services and assistance.

You acknowledge that the terms in this section are reasonably necessary to protect our legitimate business interests. We strongly encourage you to purchase travel insurance that adequately responds to cancellation and rescheduling risks associated with Force Majeure events as soon as you have paid a deposit.

Other cancellations

If we cancel your travel arrangements for reasons other than Force Majeure or a failure to satisfy minimum numbers, you will be offered (at your election) a refund of all funds paid, or the offer of travel arrangements of substantially equal quality if appropriate. To the fullest extent permitted by law, we will not be responsible to you for any other expenses or loss you incur resulting from our cancellation.

## AMENDMENTS BY YOU

We will endeavour to accommodate amendments and additional requests. You acknowledge that these may not be possible to fulfil, and for group departures a transfer of a booking to a different departure is deemed a cancellation. An amendment fee of \$150 will be levied to cover communication and administration costs for any changes to bookings. You will also be required to pay any additional costs charged by suppliers.

## AMENDMENTS BY US

Prior to travel

Due to the dynamic nature of the travel industry, we may occasionally need to make amendments or modifications to the itinerary and its inclusions and you acknowledge our right to do this. Most changes will not be significant. If we become aware of any significant changes to your itinerary or its inclusions that materially detract from the overall value of the trip (where we determine it can still proceed), then we will notify you within a reasonable time and refund you an amount attributable to any reduction in value determined by us acting reasonably.

During travel

You acknowledge that the itinerary, modes of transport, accommodation and/or the trip's inclusions may need to change during your trip due to local circumstances beyond our reasonable control, including road conditions, poor weather, changes in transport schedules, and/or vehicle breakdowns.

General

To the fullest extent permitted by law:

we will not be responsible for any omissions or modifications to the itinerary or the inclusions due to Force Majeure or other circumstances beyond our control happening after we have accepted your booking. This includes any loss of enjoyment or distress caused by omissions or modifications;

if you are entitled to any compensation for any modifications or omissions, then you agree it will be reduced by the value of any alternative

services we provide which you accept; and

we will not be responsible to you for any other expenses or loss you incur resulting from any amendment or change to the itinerary or its inclusions.

#### UNUSED & DENIED SERVICES

No refunds will be made for any travel arrangements not utilised, whether by choice or because of late arrival or early departure. This includes the failure of common carriers to operate according to schedule, which we disclaim responsibility for.

If you are not fully vaccinated against Covid-19 and particular suppliers refuse to provide you with travel arrangements, then you agree you will not be entitled to any refund for those arrangements. We will not be responsible to you for any loss or expenses you incur (including loss of enjoyment) if you are denied services in these circumstances.

#### CLIENT NAMES – EXACTLY AS PER PASSPORT

For security reasons, airlines and our overseas suppliers require names to be given exactly as stated in your passport. If you do not advise the correct information and we have to re-issue airline tickets or other documentation, then you will be responsible for any fees charged (such as airline cancellation charges or re-issue fees) in addition to our own reasonable administration fees.

#### TRAVEL INSURANCE

It is strongly encouraged that you are adequately insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage and additional expenses. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time.

#### ACCOMMODATION

Due to the dynamic nature of the travel industry, we may need to substitute hotels, vessels and other forms of accommodation with properties or vessels of a substantially comparable or higher standard. We will endeavour to minimise substitutions. You acknowledge that these substitutions will not be considered a significant change.

#### PASSPORTS, VISAS

It is a requirement that you hold a valid passport with sufficient validity and any required visas for your trip. It is your responsibility to ensure that you are in possession of the necessary documentation to comply with the laws and regulations of the countries to be visited.

#### VACCINATIONS

It is your responsibility to obtain vaccinations and preventative medicines as may be required for the duration of the trip. Any information provided by us is given in good faith.

#### HEALTH & FITNESS

It is your responsibility to ensure that you have a suitable level of health and fitness to undertake the trip of your choice. If you have doubts about your ability to undertake the trip, please contact us to discuss your circumstances prior to making a booking request.

#### Existing Medical Conditions

If you have a medical condition which may reasonably be expected to increase your risk of needing medical attention, or which may materially affect the usual conduct of the trip, then you must advise us prior to or at the time you make your booking request.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner. If the assessment indicates that you are not fit to travel or will require special assistance which we cannot reasonably provide, then we may cancel your booking. Provided you notified us of your medical condition prior to or at the time you made your booking request, we will provide you with a full refund of payments made less your deposit fee.

If you fail to provide a medical assessment within a reasonable time, then this will be considered a cancellation by you and cancellation fees and charges will apply (See 'Cancellation By You' section above).

#### New Medical Conditions

You must advise us of any new or changed medical conditions which may reasonably be expected to increase your risk of needing medical attention, or which may materially affect the usual conduct of the trip.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner. If the assessment indicates that you will require special assistance which we cannot reasonably provide or if you fail to provide a medical assessment within a reasonable time, then this will be considered a cancellation by you and cancellation fees and charges will apply (See 'Cancellation By You' section above).

#### Non-Disclosed Medical Conditions

If any non-disclosed medical conditions mean that you will require special assistance which we cannot reasonably provide, then we acting reasonably may exclude you from the trip. This will be considered a cancellation by you and cancellation fees and charges will apply (See 'Cancellation By You' section above).

#### Dietary Requirements

Special dietary requests are required to be notified to us within 7 days after we confirm your booking. We will endeavour to communicate your requirements to relevant suppliers. However, we cannot guarantee requests will be met by suppliers. It is your responsibility to check that meals and beverages do not contain any allergens. We expressly disclaim any liability for meals or beverages that contain allergens other than in circumstances where we have been negligent.

#### INDEPENDENT SERVICES

We are not responsible for any additional activities or excursions which are not included in the booked itinerary or which we sell as agent for the principal operator. Any advice or recommendation given by us, a guide or local representative is made in good-faith, based on known information, and does not make us responsible for the acts or omissions of the principal operator of the excursion or activity.

#### ACCEPTANCE OF RISK

##### General

You acknowledge that travel involves personal risks which may be greater than those present in your everyday life. This could be as a result of the adventurous nature of your trip or from visiting destinations which present geographical, political or cultural risks and dangers.

You should consult guidance issued by the Department of Foreign Affairs and Trade (DFAT) applicable to the destinations within your itinerary.

You acknowledge that your choice to travel is made having had the benefit of DFAT guidance, and you accept inherent personal risks associated with your travel.

##### Covid-19

You acknowledge that you are travelling at a time when Covid-19 is endemic and that Covid-19 presents risks to your health and may cause

death. By making a booking request, you accept all risks associated with Covid-19 infection during travel and you release us (and our directors, officers, employees and suppliers) from liability in connection with Covid-19 infection.

#### RESPONSIBILITY

##### Services supplied by independent suppliers

Where a third party over whom we have no direct control is the supplier of travel arrangements that form part of your trip, you acknowledge that our obligations to you are limited to taking reasonable steps to select a reputable Independent Supplier and arranging for them to provide those travel arrangements to you. Independent Suppliers over whom we have no direct control could include but are not limited to airlines, railway and cruise operators, hoteliers, independent transport companies (i.e., vehicles not operated by us), attraction and venue operators and common carriers.

To the fullest extent permitted by law, we will not be responsible to you for any loss, damage, personal injury or delay attributable to the actions or omissions of an Independent Supplier and not caused by our negligence. Any claims you have in this regard must be made against the Independent Supplier.

##### Services we directly supply

To the extent only that we are the principal supplier to you of travel arrangements or other services which we control, then we will provide those travel arrangements and services with reasonable skill and care.

We will only be responsible for our employees in the course of their employment, and for our agents and contractors (where we have direct control over them) if they were carrying out the work we had asked them to do.

We will not be responsible for any loss, damage, claim or expense caused by the acts or omissions of yourself, of any other third party not connected with the provision of the travel arrangements or services, or due to an event of Force Majeure.

##### Recreational services

If we supply any recreational services to you, then to the maximum extent permitted by law we exclude any liability for death, physical injury or mental injury or any other liability referred to in section 139A(3) of the Competition and Consumer Act 2010 (Cth) resulting from our failure to comply with a guarantee that applies under Subdivision B of Division 1 of Part 3-2 of the Australian Consumer Law.

This exclusion does not apply to significant personal injury caused by our reckless conduct.

Recreational services means services that consist of participation in the activities referred to in Section 139A of the Competition and Consumer Act 2010 (Cth), being participation in:

(a) a sporting activity or similar leisure time pursuit; or

(b) any other activity that:

(i) involves a significant degree of physical exertion or physical risk; and

(ii) is undertaken for the purposes of recreation, enjoyment or leisure.

##### General liability limitation

We will not be responsible for any loss or additional expenses you incur for any missed connections/services attributable to delays outside of our control.

You acknowledge that travel arrangements or services which comply with local laws and regulations will be deemed to have been properly performed, even if this would not be considered the case in Australia.

Australian Consumer Law and corresponding legislation in State jurisdictions in certain circumstances imply mandatory guarantees into consumer contracts ("Consumer Guarantees"). These Booking Conditions do not exclude or limit the application of the Consumer Guarantees other than to the extent they can be excluded or limited, in which case we limit or exclude the Consumer Guarantees to the fullest extent possible. Other than the Consumer Guarantees, we disclaim all warranties and guarantees.

To the fullest extent permitted by law, our maximum liability to you under these Booking Conditions, in tort (including negligence) or at law is limited to arranging for the travel arrangements to be resupplied or payment of the cost of having them resupplied.

#### COMPLAINTS

In the event of a problem with any aspect of your travel arrangements you must tell us or make our representative or our local supplier aware of such problems as soon as possible. This is so we or our suppliers have had the opportunity to put things right on the ground.

If you notify us of a problem during travel and we haven't resolved it to your satisfaction, please follow this up in writing within 30 days from the end of your travel arrangements. This is so we have the opportunity to pursue the claim with our own suppliers (if relevant).

If you fail to follow this procedure, this may limit your rights to make a claim.

#### DEEMED ACCEPTANCE

If you place a booking on behalf of another party, you represent and promise us that you are duly authorised to provide the agreement and consent of the other party to be bound by these Booking Conditions. You agree that you will be responsible for any loss or damage we incur if this is not the case.

#### GENERAL

The contract between Mandarin World Tours trading as MW Tours and you is governed by the laws of the State of Queensland, Australia. Any disputes shall be dealt with by a court with the appropriate jurisdiction in Queensland.

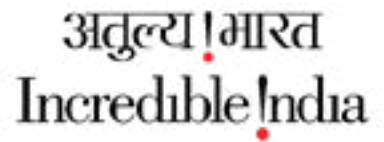

If any provision of these Booking Conditions is found to be unenforceable, then to the extent possible it will be severed without affecting the remaining provisions.

Any personal information you provide to us will be collected, stored, used, protected and shared in accordance with Australian Privacy Principles, and our Privacy Policy.
