WELCOME

Dear Traveller,

In 2026, we are proud to present a refreshed portfolio of journeys across China and Southeast Asia, continuing our commitment to delivering exceptional value and authentic experiences.

China has rapidly emerged as one of the fastest-growing out-bound destinations for Australians. With more direct flights and the introduction of a visa waiver program, travel has never been easier. This surge in accessibility has fuelled strong demand, and we are already seeing record forward bookings for 2026.

Our small group packages feature the iconic highlights alongside unique, off-the-beaten-track experiences that reveal the true essence of China from a fresh perspective.

We are also delighted to announce a price freeze across all our 2026 Vietnam and Cambodia programs. The newly enhanced *Magical Mekong* combines the elegant Victoria Mekong Cruise with carefully selected hotels, ensuring consistent, high-quality service standards throughout the journey.

In the Philippines, travellers can choose from a diverse collection of experiences. Relax on pristine beaches in El Nido, Coron, and Bohol; enjoy the vibrant atmosphere of Boracay and Cebu Mactan; dive into the marine paradise of Dumaguete; or explore the history and scenery of Northern Luzon.

All our China & Southeast Asia programs are designed with 4-star comfort in mind, with the option to upgrade to premium 5-star luxury accommodation.

Our dedicated team in Australia, together with our trusted local partners, look forward to helping your clients discover the rich cultures, natural beauty, and warm hospitality of these incredible destinations.

Happy travels!

SEMI-INDEPENDENT TOURS

If your clients enjoy a little more freedom and flexibility, our semi-independent tours offer the perfect balance. Designed as modular journeys, these tours combine comfortable accommodation, efficient transport, and carefully chosen day tours in key locations.

Guests are typically collected and dropped off at selected hotels, though in some cases they may need to meet at a central pick-up point or make their own way after a tour concludes. This allows for a more flexible schedule while still taking advantage of expert local guides and organised experiences.

These tours are budget-friendly and cater to a variety of travel preferences—whether you want to choose your own restaurants, navigate between hotels independently, or even build your own adventure using our curated list of Excursions.

Though they may appear similar to a guided tour, they are in fact operated independently. That means your clients may meet different fellow travellers and guides each day, offering a fresh experience at each stop.

Thanks to their scalable nature, these tours offer excellent value and maximum flexibility. It's important to check the specific inclusions and exclusions for each location, as offerings can vary widely depending on the destination.

TOUR TYPES

ESCORTED TOURS

We're proud to be known for our Escorted & Fully Inclusive Small Group Tours, which continue to be among our most popular offerings. These tours are perfect for travellers seeking a seamless, worry-free experience where every detail is taken care of.

Each package includes international and domestic economy class airfares, as well as any cruise or train tickets required along the way. You'll stay in carefully selected quality accommodation, enjoy a variety of delicious local meals, travel in comfortable air-conditioned vehicles, and be accompanied by professional English-speaking local guides. All entrance and monument fees are covered, along with tipping for your guides and drivers—leaving nothing for your clients to think about except enjoying the journey.

One of the most valued aspects of our Escorted Tours is the warm, personalised service offered

by our experienced guides. They don't just lead the tour—they bring each destination to life with stories, local insight, and cultural context. On some departures, depending on group size, an escort from Australia may also accompany the group for added support and familiarity. These tours also offer the chance to travel alongside like-minded guests, often forming new friendships and shared memories that last well beyond the trip.

SMALL GROUP TOURS

Our Small Group Tours offer a similar level of service to our Escorted Tours, but with a more intimate and relaxed group size—typically capped at fewer than 16 travellers. This format allows for a more personalised experience, better access to local attractions, and more flexibility throughout the journey.

You'll still enjoy the expertise of our professional Local Guides in each destination, who provide in-depth knowledge and unique local perspectives. With smaller groups, there's often more opportunity for interaction with your guide, more authentic

SEAT-IN-COACH (SIC) TOURS

Our Seat-in-Coach (SIC) Tours are ideal for travellers who want a structured itinerary without the cost of a fully escorted tour. Perfect for solo travellers, couples, or small groups, this style involves joining others for scheduled sightseeing and shared transfers—without committing to the same group or guide throughout.

These tours include local sightseeing, comfortable shared transport, and professional guides in each destination.

Accommodation and select meals are included, with ample free time for independent discovery—ideal for those who want both guidance and flexibility.

Pick-up and drop-off points are usually from selected hotels or central meeting spots. While you won't travel with the same group the entire way, you'll still enjoy the chance to meet like-minded travellers. It's a smart, cost-effective option that offers excellent value, especially where private touring may not be practical.

TAILOR-MADE YOUR JOURNEY, YOUR WAY.

TAILOR-MADE TOURS

From luxury hotels and boutique resorts to private transfers, expert local guides, and curated experiences, every element is handpicked to match your client's style, interests, and budget.

To secure a Tailor-Made itinerary, bookings require a minimum of three nights, with return transfers and at least one day tour included.

TOUR OPTIONS

SMALL GROUP SIZES, GUARANTEED DEPARTURES & SOLO TRAVELLERS

We guarantee a majority of our tours will depart with a minimum of two travellers (excluding our best-selling Cherry Blossom & Garden).

This allows you to travel at the time that suits you best, regardless of the season's popularity. Popular departure dates generally have group sizes of four to eight people, depending on the destination, allowing you an intimate, personalised experience.

Our Single Supplements are the extra costs required for a solo traveller to stay in twin-share accommodation. We do our best to keep these additional costs as affordable as possible.

PROFESSIONAL DESTINATION GUIDES

One of the best benefits of touring with MW Tours is the fantastic local and national guides who will take you on your journey.

Our experienced English-speaking guides handle your daily arrangements, from checking in at your fantastic accommodation to explaining the unique sights of the area. They have a wealth of knowledge and can provide you with a personal local experience.

TRANSPORTATION OPTIONS

Travelling in comfort is essential for a pleasurable journey, so we only use full-service airlines. Once you arrive at your destination, you can enjoy travelling by quality local transport, from modern air-conditioned vehicles to high-speed rail, and even cable cars to mountain peaks.

THE LITTLE EXTRAS

It's the little things that change your tour from enjoyable to extraordinary! Tipping is often a big worry for our clients, as it is often required in our destinations but not here at home. By including it, we ensure our guides receive the correct remuneration for their incredible service (based on group size, tour duration, and more).

Before your journey, you will receive your final travel documents, including air tickets, detailed itinerary, accommodation details, and special destination information. We'll also provide you with 24-hour local and overseas contacts. These contacts can be utilized at any time, so you can travel with us worry-free.

AUTHENTIC EXPERIENCES

Our itineraries are designed to showcase the very best of China and Southeast Asia through unique and authentic experiences. Alongside iconic

must-see attractions such as the Great Wall of China, Angkor Wat in Cambodia, and the bustling streets of Hanoi, we also include hidden highlights like a tea ceremony in a local village, a lantern-lit cruise in Hoi An, or exploring the floating markets of Bangkok.

If there's something on your bucket list that isn't included in one of our tours, let us know! We can tailor an itinerary to suit your needs and add a pre or post stay for the best experience possible. You could also choose a fantastic Pre or Post Excursion to explore more of your destination – or even a completely different country!

DELICIOUS LOCAL CUISINE

One of the highlights of touring in a different country is the variety of traditional local cuisine on offer. Breakfast is often a combination of Western and local food, usually served buffet style.

Our tours also include delicious local meals that allow you to taste a variety of the most popular foods in the region. Your local guides will assist you in getting a table at the most authentic and quaint eateries, so you don't need to worry about availability at the best restaurants – often a concern on bigger tours. You'll return home with not just memories of incredible sights, but also unforgettable flavours.

HIGHLIGHTS

China is a land of remarkable contrasts, where centuries-old traditions stand alongside rapid modern development. The country's landscapes range from the majestic peaks of the Himalayas to the sweeping deserts of the northwest and the serene countryside of the south. One of the most iconic sights is the Great Wall, which winds its way across mountains and valleys, embodying both the country's history and its grandeur. China's natural beauty is just as captivating in places like Zhangjiajie, with its towering sandstone pillars, and the picturesque karst landscapes of Guilin, where limestone peaks rise dramatically from the Li River.

For a cultural immersion, China's cities offer vibrant local experiences and unique insights into its way of life. Beijing, with the grandeur of the Forbidden City and the Temple of Heaven, reveals the country's imperial history, while the bustling markets and teahouses of Chengdu provide a taste of everyday life. In Xi'an, the famed Terracotta Warriors stand guard, a testament to China's ancient dynasties and their enduring legacy.

China's blend of the past and present is perhaps best seen in Shanghai, where sleek skyscrapers overlook colonial architecture and traditional water towns lie just beyond the city's borders. This juxtaposition creates a dynamic, ever-evolving experience that captures the essence of modern China.

BEST TIME TO VISIT

The best time to visit China is during the spring (March to May) and autumn (September to November) seasons. During these months, the weather is mild and comfortable, making it ideal for exploring both urban and rural destinations. Springtime sees blossoms across cities and countryside alike, while autumn transforms the scenery with golden foliage and clear skies.

These seasons are perfect for outdoor adventures along the Great Wall, cruising the Li River, or discovering China's diverse cultural sites, from ancient temples to vibrant cityscapes. With fewer crowds than the peak summer months, spring and autumn allow travellers to experience China at a more relaxed pace, truly taking in the beauty and depth of this vast nation.
